## HELP US TO HELP YOU

### Please note the following:

1. That there is a waiting list for these events so once you have booked the date, DO KEEP to the booking
2. That DAAP incurs a heavy cost if organisations cannot keep their commitment to the booking. This also means that other organisations who could have attended on this date have lost out on a valuable opportunity
3. That organisations outside the Borough of Ealing wishing to avail of this scheme will have to pay a charge
4. All paper work must be returned to DAAP at least 5 weeks prior to the trip

Thank you
